Dear Lesley...Mel and I returned from Sicily last
efforts and guidance to us regarding our trip. An
of the olive oil. Please thank Vincenzo for making
trip so that we could go easily to Mondello Beach
we shared with another couple from our tour. They
each hotel instead of twin beds. Our accommodations
so much. And the Hotel Diodoro in Taormina was
leader, extremely knowledgeable and a very sweet
individual needs which was very thoughtful. Our
superior vacation. It is hard to return to our hectic
Sicilian holiday. Again, thank you for all your efforts.
summer and good health to you and your family.

night. We wanted to thank you for all your
and also a special thank you for your thoughtful gift
of the van available to us on the first Sunday of the
year. The outing gave us a pleasant afternoon which
we thank you for insuring that we had a double bed for
both of us. The accommodations in Palermo were quite spacious. Thank you
for the exquisite. Giuseppe was a wonderful tour
guide and person. He tried to be considerate of everyone's
needs. Our vacation was very memorable. We feel we had a
great time. We will cherish our memories of our
trip. Thank you for your efforts on our behalf. ... Wishing you a wonderful
day.
Gratefully, Bonnie and Mel Hirshowitz
