Agrigento, English Speaking Local Guide NOT included

Today meet our staff and departure for Agrigento, to visit the finest of all ancient Greek sites—the complete Doric Temples (Admission fee: not included), one of Sicily's most famous historical attractions. This is one of the most outstanding examples of Greater Greece art and architecture, and is one of the main attractions of Sicily as well as a national monument of Italy. The area was included in the UNESCO Heritage Site list in 1997. Founded as a Greek colony in the 6th century B.C., Agrigento became one of the leading cities in the Mediterranean world. Its supremacy and pride are demonstrated by the remains of the magnificent Doric temples that dominate the ancient town, much of which still lies intact under today's fields and orchards. This splendid archaeological park consists of eight temples (and various other remains) built between about 510 BC and 430 BC: the Temple of Hera, the Temple of Concordia, the Temple of Heracles, the Temple of Olympian Zeus, the Temple of Castor and Pollux,

the Temple of Hephaestos, the Temple of Demeter, and the Temple of Asclepius (the God of Medicine). Apart from this latter, which is to be found on the banks of the Akragas river, all are situated in the same area on rocky crests south of modern day Agrigento (not really in a Valley at all!).

Later onto Syracuse.
