Today meet our staff and departure for Noto. In the Arab period the town was the capital of one of the three districts of Sicily (the Val di Noto) and once defeated by the Christians, Noto became a rich Norman city. Unfortunately it was totally destroyed by the 1693 Sicilian earthquake and rebuilt in a new position nearer to the Ionian Sea. But the new Noto is a masterpiece of Sicilian Baroque! Most of the buildings, including churches and noble palaces, follow one another along the main street and are characterized by the honey tonality of tufa stone. Facades and balconies are all skillfully decorated by grinning masks, lion heads, putti and other embellishments. Unmissable is Noto Cathedral, dedicated to Saint Nicholas and built in perfect Sicilian Baroque style.

This afternoon onto Syracuse, an ancient town founded by Corinthians in 734 BC, that later became a very powerful city-state and exerted influence over the entirety of Magna Graecia, of which it was the most important city. Visit the Archaeological Park (Admission

fee: not included) that highlights the Greek Theatre, the Roman Amphitheatre and the Paradise Quarry. The resulting park contains some of the most extraordinary monuments that classical antiquity has left us and, given their degree of interest and importance, has few equals elsewhere in Italy. Even a quick stay in Syracuse must include a visit to this archaeological site. Then walk around in the Ortygia Island, the heart of the city center, discovering the ancient and medieval streets, the Dome and the Aretusa Fountain.

Later onto Taormina.
